**Eva Hevia, Julio Pérez,\* Lucía Riera, Víctor Riera, and Daniel Miguel:** Reactive Alkoxide Complexes of Groups 6 and 7 Metals

Page 1750. The synthesis and crystallographic characterization of the complex  $[\text{Re}(\text{OCH}_3)(\text{CO})_3(\text{bipy})]$  (**2**) has been previously reported: Gibson, D. H.; Sleadd, B. A.; Yin, X. *Organometallics* **1998**, 17, 2689–2691. This reference, which was given in the Supporting Information, should have been included in the main text.

In addition to Mandal, S. K.; Ho, D. M.; Orchin, M. *Inorg. Chem.* **1991**, 30, 2244–2248, included in ref 2, the paper Mandal, S. K.; Ho, D. M.; Orchin, M. *Organometallics* **1993**, 12, 1714–1719 should have been cited, and both papers should have been listed in a separate reference.
