

**Introducing  
the new  
twice-monthly**

**Quality  
Research and  
News In Your  
Hands Twice  
as Fast**

# **Analytical CHEMISTRY**

**Don't miss a single issue! The new, more timely ANALYTICAL CHEMISTRY, contains the same vital information in the field of measurement science. Twenty-four issues a year put the best in ANALYTICAL CHEMISTRY in your hands more often. You'll continue to find the same fine research articles, reports, special departments like Focus and A/C Interface, and the Annual Reviews and LabGuide issues.**

**There's never been  
a better time to subscribe**

Call now and you can get your own subscription to the new twice monthly ANALYTICAL CHEMISTRY—including its sought-after annual "Application Reviews" and "LabGuide" issues.
