

Radiation Effects on Polymers

Roger L. Clough, EDITOR
Sandia National Laboratory

Shalaby W. Shalaby, EDITOR
Clemson University

Developed from a symposium sponsored
by the Division of Polymer Chemistry, Inc.,
at the 200th National Meeting
of the American Chemical Society,
Washington, D.C.,
August 26–31, 1990

American Chemical Society, Washington, DC 1991

Library of Congress Cataloging-in-Publication Data

Radiation effects on polymers / Roger L. Clough, Shalaby W. Shalaby, editors.

p. cm.—(ACS symposium series; 475)

“Developed from a symposium sponsored by the Division of Polymer Chemistry, Inc., at the 200th National Meeting of the American Chemical Society, Washington, D.C., August 26–31, 1990.”

Includes bibliographical references and index.

ISBN 0-8412-2165-0

Foreword

THE ACS SYMPOSIUM SERIES was founded in 1974 to provide a medium for publishing symposia quickly in book form. The format of the Series parallels that of the continuing ADVANCES IN CHEMISTRY SERIES except that, in order to save time, the papers are not typeset, but are reproduced as they are submitted by the authors in camera-ready form. Papers are reviewed under the supervision of the editors with the assistance of the Advisory Board and are selected to maintain the integrity of the symposia. Both reviews and reports of research are acceptable, because symposia may embrace both types of presentation. However, verbatim reproductions of previously published papers are not accepted.
